IQAC plays a crucial role in enhancing and maintaining the quality of education in college.

1. Academic Initiatives

- Facilitates implementing outcome – based education.
- Organizing programmes like National Seminar, National Workshop, Value Added Courses, Extension Lectures and Study tours
- Encouraging faculty members to use innovative teaching methods especially ICT-enabled Learning
- Conducting Student feedback survey, analyzing them, and informing higher authorities to take necessary action for the observations made by students in their feedback.

2. Research & Innovation

- Promoting research activities among faculty and students is one of the major areas where IQAC plays an important role. Faculty members are motivated to publish research papers, attend seminars and conferences. IQAC facilitates, faculty through Principal to sanction leave to them for attending seminars.
- Signing MoUs for research as well as for academic and research purposes
- Organizing conferences, seminars, and workshops

3. Infrastructure Development and Digitalization

- IQAC takes initiatives to strengthen digitalization in classrooms and library.
- IQAC suggests departments to upgrade labs
- IQAC through interactions with departments to make adequate arrangements for research scholars

4. IQAC is responsible for Preparing for NAAC accreditation
